Mobile XL Height & Tilt Adjustable Trolley

The Mobile XL Height & Tilt Adjustable Trolley is an electrical height adjustable trolley that offers two separate 350mm height adjustment options, providing flexibility and versatility. It has a C-shaped mobile stand equipped with four heavy-duty castors, two of which have brakes for stability. The display mount is designed to accommodate screens up to 65" with a maximum load capacity of 150kg, providing reliable support for screens of various weights and sizes. Suitable for ages 2-16+ (approximate body size 930-2070+mm).
