

CleverAscent Trolley FP

The CleverAscent Trolley FP is equipped with anti-collision capability which means when the screen touches something during a movement the trolley will stop and back up.

The CleverAscent Trolley FP features a foot pedal high-low height adjustment as well as standard hand adjustment, and is suitable for use with 55-86" displays.

The mobile frame enables you to effortlessly move your touchscreen around your room, or to another room completely.

CleverAscent Trolley FP Specifications

Key Benefits
