CleverWall Mounting Solutions

The CleverWall mount offers an impressive combination of convenience and functionality. It accommodates a wide range of screen sizes from 120 to 165 inches. The CleverWall Mount's sturdy build can support a maximum load capacity of 25kg, ensuring the safe installation of your display. Its mobility is enhanced by 3-inch quiet casters, making it easy to move your screen where needed. There is also the option to mount the screen on the wall and it is designed to meet general-purpose wall mounting requirements for LED panels, with adjustable hole spacing. It's a dependable choice for your display mounting needs and is finished in a sleek black colour to blend seamlessly with the screen.
