

Wall Lift Low Access

The Wall Lift Low Access is an electrical height adjustable column and offers an impressive 500mm of height adjustment, providing flexibility in positioning. This system is suitable for mounting on compatible walls, with a default wall clearance of 70mm, and comes with four levelling feet for added stability. The display mount is designed to support screens up to 86", with a maximum load capacity of approximately 150kg, securing large and heavy screens with ease. Suitable for ages 4-11 (approximate body size 1190-1590mm).
